CCC certification 🔗
NIELIT

Sahil Nishad

Frontend Developer(React)

PROFESSIONAL SUMMARY

Motivated Frontend Developer with a strong command of JavaScript, React.js, HTML, and CSS. Experienced in collaborating with designers and backend developers to create visually appealing and user-friendly interfaces. Committed to optimizing performance and ensuring cross-browser compatibility. Proactive and detail-oriented, with excellent problem-solving and communication skills. Ready to leverage my skills and enthusiasm to contribute to dynamic projects using MERN stack technologies.

PROJECTS

1. Apple TV+ (Clone) | ⊕ | ○
JavaScript | Git | React.js | HTML5 | CSS3 | Chakra UI

- Developed a clone of India's most trusted Apple TV+ movie watching platform
- Implemented features such as login, searching products, and displaying different movies, series, and animations based on categories
- Used React.js, HTML5, CSS3, and Chakra UI to create a visually appealing and user-friendly interface
- Integrated Git for version control and collaborated with a team of backend developers to integrate frontend components with server-side logic

2. Super Hero Resume | ⊕
HTML5 | CSS3

- Created a single page resume with a SuperHero theme using HTML5 and CSS3
- Included all the necessary details of the resume
- Implemented a live demo feature to showcase the resume
